(Chief Judge)

Foni Pollitt

Paul Edwards

Adriaan Foot

The aim of the committee is to provide an event where Blackwood Valley, Frankland River, Manjimup and Pemberton grown and vintaged wines (85%) are judged with their peers to Australian Judging Standards, and secondly, to ensure that the medal and trophy results have credibility with the buying public, so only bottled commercially available wines are eligible for entry.

Thanks, and a warm welcome is extended to all potential exhibitors for the 2021 show.

Additional entry forms and schedules may be obtained from the Co-ordinator, PO Box 338 Manjimup WA 6258 or from website
www.southernforestsandvalleyswineawards.com.au
or email: wineshow@manjimuprotary.org.au

Exhibitors are requested to please read class descriptions, quantity limitations and the regulations with care.

Results Books

The Results Books will contain results of wine judged 85pts and upwards. The committee reserves the right to use either the 60pts or (100pts) system. Results will be published on our website
www.southernforestsandvalleyswineawards.com.au

Wine of the Show

The RSM Southern Forests and Valleys Wine Show Wine of the Show trophy will be awarded at the 2021 show, for the wine judged to display the best and most distinctive characters.

To win this trophy the wine will first have to be awarded a Gold Medal at the show. The Gold Medal winners will then vie for the Trophy of best in each class.

The very best of these wines will be awarded Wine of the Show.

Entries for the show should clearly indicate both the wine region and the varieties that make up the wine or wines on both the entry form and the bottle labels. Failure to do so will render the wine ineligible for the award.
