The aim of the committee is to provide an event where Blackwood Valley, Frankland River, Manjimup and Pemberton grown and vintaged wines (85%) are judged with their peers to Australian Judging Standards, and secondly, to ensure that the medal and trophy results have credibility with the buying public, so only bottled commercially available wines are eligible for entry.

Thanks, and a warm welcome is extended to all potential exhibitors for the 2023 show. The entry form may be obtained from:

Website: www.southernforestsandvalleyswineawards.com.au
